

1. Ratifications via SharePoint:

- May BoD Conference Call Minutes
- DZ email – Covid-19: CSPA are waiving all membership fees for Clubs & Dropzones for the 2020/2021 season. Unless membership form is completed and sent to the CSPA office, club/dropzone will not be included on current membership list, nor have insurance coverage.
- RP email – Covid-19: To check with their dropzone to confirm when/if dropzone is opening
- CWC email – COVID 19: The rating extension fee will be waived for the 2020/2021 season but extension request form must be submitted. Currency requirements have been modified for this season.
- Payment processor – With the soon launch of the new database, we will be changing payment processors to Global Payments, which is more cost effective but also more user-friendly with the new system.
- Skydive Vibe – Video # 3
- WIIFM: Review of article prior to publishing in Canpara.
- Affiliation fee increase notice for CanPara: Effective December 1st, 2020, affiliation fees will increase from \$94.00 to \$105.00.
- Temporary Affiliations – revisions to the following instructions:
 - *It is for **foreign certified** skydivers (citizenship does not matter).*
 - *For example, USPA licenced skydivers who visit your dropzone but you want them to have higher liability insurance.*
 - *Proof of foreign membership must be sent with application form.*
 - *The cost is \$35 for 3 months.*
 - *Currently there is no limit to how may times it can be renewed.*
 - *For example, if you have a skydiver visiting from France for 6 months, they can purchase a 3 month temporary affiliation and when this is near expiry, they can purchase another 3 month temporary affiliation.*
 - *There is no Team Endowment Fund contribution (this is the \$5 that is normally contributed with each \$94 affiliation)*
 - *The application process for the current time is by paper only. The applications are attached and they can be faxed or emailed to the office. They are considered valid once received by CSPA, for this reason, fax or email is recommended as it's considered immediate.*
 - *The current plan is that applications are to be done AT the dropzone. The applications will not be published on the website. We will leave it to the dropzones to offer it.*
 - *Applicants will only receive a PDF copy of their card as it cuts down on costs.*
 - *Applicants will not receive CanPara.*
 - *Applicants cannot apply for new CoPs or ratings on this type of affiliation. Furthermore, insurance from a CSPA Temporary Affiliation DOES NOT cover foreign certifications. For example, insurance will not cover damage occurring as a result of a jumper in the role of a USPA coach.*
