a) Latest insurance “issue”.

It was reported to CSPA that some Insurance companies in Quebec are not covering parachuting equipment in their policies because they consider it an aircraft.

Other RPs have mentioned that they are covered under their house insurance.

Michelle is having a meeting with Ned Ambrus next week who is in the insurance industry and hopefully can shed some light on this.

3. Skydive Ontario complaint:

Another email was received from the same complainant.

No further action required.

4. FYIs:
